

# Love Shines

– Lyrics by William Hoover (December 8<sup>th</sup>, 1989)

*With guitar chords.*

*This is part of a batch of lyrics written in 1989 and which I didn't get until March, 2nd 2001*

*I put a tune to the chorus in the wee morning hours of June 6<sup>th</sup>, 2002... William's anniversary. However, I didn't get the verses and bridge finished until Valentine's Day, 2003. How appropriate, hmmm?*

– Dave Leigh

*Ab* *Db/Bb*  
Our lives have run in circles  
*Db* *Ab*  
At times on constant lines  
*Ab* *Db/Bb*  
With ever changing seasons  
*Db* *Ab*  
Our love will always shine

*Db* *Ab*  
Wrapped in sheets of harmony  
*Db* *Ab*  
Wake to mornings made of touch  
*Db* *Ab*  
Brighter glowing with every day  
*Eb*  
These flames of growing love

*[chorus:]*

*Ab*  
Love shines  
*Fm* *Eb*  
As bright as the sun in the summer sky  
*Ab*  
Love shines  
*Fm* *Eb*  
Twinkling like the stars on a winter night  
*Db/Bb* *Ab*  
And through the dark from dusk 'til dawn  
*Db* *Fm*  
You're my candle burning strong  
*Db*  
To light the way  
*Eb* *Fm* *Db* *Ab*  
And love shines, love shines, love shines on

*Ab* *Db/Bb*  
Half lit rooms in firelight  
*Db* *Ab*  
Grow shadows less defined  
*Fm* *Eb*  
But even through the darkness  
*Db* *Ab*  
Our love will always shine

(Love Shines, cont.)

As a beacon in the twilight  
To guide and harbor me  
A blazing, brilliant diamond  
To sparkle endlessly

[chorus:]

Love shines  
As bright as the sun in the summer sky  
Love shines  
Twinkling like the stars on a winter night —

[bridge:]

Bright on bright, sight beyond sight  
Blinded by glare of things we cannot see  
Mesmerized, hypnotized  
Caught up in a whirlwind of a supernova dream

[chorus:]

Love shines  
As bright as the sun in the summer sky  
Love shines  
Twinkling like the stars on a winter night  
And through the dark from dusk 'til dawn  
You're my candle burning strong  
To light the way  
And love shines, love shines, love shines on
